* Please refer to the OEM Certification Report for Deutsche Telekom Affiliate Country Codes.

A full technical certification is granted by Deutsche Telekom. For more details, please refer to the OEM Certification Report of this product.

Although this product is granted a full technical certification, Deutsche Telekom will continue to restrict deployment of this product for Deutsche Telekom IoT projects having large volumes, as there is no support on this product for:

- No-harm to network / communication efficiency features (e.g. GSMA TS.34, due to application-side risks to Deutsche Telekom IoT connectivity and service layer platforms).

Best Regards,

Deutsche Telekom AG
